

Waterproof Eps Core Panel Expanded Polystyrene Sandwich Panels Lightweight

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Model Number: EPS Sandwich Panel
- Minimum Order Quantity: Discussible
- Price: \$5-Discussible
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 15days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters per Day

Product Specification

- Product Name: Thermal Insulation Waterproof Fireproof Lightweight Wall EPS Sandwich Panel
- Material: EPS
- Soundproof: Yes
- Durability: High
- Application: Various Roofs And Walls Of The Large Size Factory Warehouse Exhibition Halls Etc
- Fireproof: Yes
- Thermal-insulation: Yes
- Surface: Smooth
- Waterproof: Yes
- Keyword: EPS Sandwich Panel
- Highlight: **Polystyrene eps core panel,**
Lightweight eps core panel

Thermal Insulation Waterproof Fireproof Lightweight Wall EPS Sandwich Panel

Product Description:

EPS Sandwich Panel is a kind of lightweight fireproof and waterproof building material, which is composed of two layers of color steel plates and EPS foam as the core material. The surface is smooth, and the top and bottom plates are 0.4-0.8mm thick. Also, it is available in customized colors. In addition, it provides a range of after-sales services, such as online support and video technical support. This type of EPS roof panel sandwich is widely used in construction, home decoration, and other fields due to its superior performance. It is a perfect choice for your outdoor waterproof fireproof EPS foam sandwich panel needs.

Features:

- Modular in nature and pre-engineered for precision and time-saving construction
- Constant thermal resistance
- Light weight EPS Sandwich Panels which are easy to lift and install at any altitude
- Frameless construction entails flexibility of design, supply and installation for all structure types
- Measurable energy savings with minimal loss and highly efficient performance
- Tough and long lasting to suit any construction
- Long life and low maintenance

Benefits from Baodu:

- The shelf life, efficiency and cleanliness of any building is based on the panels that go into its making. The prefabricated EPS panels manufactured by BAODU has the following features:
- The pre-engineered EPS sandwich panels from BAODU are of meet the building code specifications
- Superior energy savings due to low thermal conductivity
- Flexibility in design and colors
- All weather proof construction and low maintenance
- These insulated panels give long lasting value with controlled quality, accuracy and speed of construction to cater better functionality and application.

Technical Parameters:

Product	Eps Sandwich Panel
Width	50mm/75mm/100mm/150mm/200mm
Top plate/Bottom plate	0.4-1mm
Effective Width	950mm(Wall);960mm(Roof)
Length	Less than 11.8m (For transport need)
Density	8kg/M3 EPS
Color	Standard color :White, Red, Blue,Ral
Advantages	Light weight ; waterproof ; Good insulation performance with competitive price
Application	various roofs and walls of the large size factory warehouse, exhibition halls, etc.
Life time	15-30 years

Support and Services:

- EPS Sandwich Panel Technical Support and Service
- 24/7 customer service
- On-site installation and maintenance
- Online problem-solving
- Troubleshooting and repair
- Product upgrades and updates

Packing and Shipping:

- EPS Sandwich Panel Packaging and Shipping:
- The EPS sandwich panel will be packaged in steel boxes and shrink wrapped for protection.
- The panels will be shipped using a reliable, traceable carrier.
- The delivery will be insured and tracked in order to ensure safe and secure delivery.

FAQ:

EPS Sandwich Panel

Q1. What is the Brand Name of the EPS Sandwich Panel?

A. The Brand Name is BAODU.

Q2. What is the Model Number of the EPS Sandwich Panel?

A. The Model Number is EPS Sandwich Panel.

Q3. What is the place of origin of the EPS Sandwich Panel?

A. The place of origin is Hebei,China.

Q4. How much does the EPS Sandwich Panel cost?

A. The price is between \$5 and discussible.

Q5. What is the delivery time of the EPS Sandwich Panel?

A. The delivery time is 15days.
