Product Specification

- Product Name: Aluminum Alloy Window Shutter Single Door
Workshop Industrial Steel Customizable
Storage Solutions
- Roof And Wall: Corrugated/EPS/PU/Rock Wool/glass Wool
- Material: Steel
- Door: Sliding Door, Rolling Door, Shutter Single Door, Color Steel
- Weather Resistance: High
- Window: Aluminum Alloy Window, Plastic Steel
- Tolerance: $\pm 1\%$
- Fire Resistance: High
- Feature: Long Fatigue Life
- Color: Customized
- Highlight: Industrial Prefab Steel Warehouse

Steel Warehouse is a prefab industrial steel structure workshop building solution that can be used for a wide range of applications, such as manufacturing, storage, and office space. It is constructed with long lasting galvanized steel which is highly resistant to the weather and designed for easy installation. It is also equipped with roof and wall panels constructed with corrugated, EPS, PU, rock wool, and glass wool materials, providing excellent insulation and superior strength. The steel structure can also be customized according to the customer's needs, with bending, welding, decoiling, cutting, and punching services. It is the perfect solution for a durable building with high weather resistance and low maintenance costs.

Product Name: Steel Warehouse

Weather Resistance: High

Purlin: C.Z Shape Steel

Durability: High

Grade: Q235, Q355

Installation: Easy

Workshop Industrial Steel: Building Galvanized Storage Light Steel Building

Warehouse: Workshop Industrial Steel Warehouse

BAODU's Steel Warehouse, model number Steel Warehouse, is certified ISO9001, CE and manufactured in Hebei, China. It has a minimum order quantity that is discussible and it can be delivered within 21 days after payment.
