

## Honeycomb Round Hole Perforated Metal Sheet Polished Galvanized Aluminum

Our Product Introduction

for more products please visit us on [baodupanel.com](http://baodupanel.com)

### Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001
- Model Number: Perforated Metal Sheet
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 Square Meter/Square Meters per Day

### Product Specification

- Product Name: Baodu Polished Aluminum Galvanized Honeycomb Punching Perforated Metal Sheet
- Tolerance:  $\pm 1\%$
- Application: Filter, Decoration, Protection, Etc.
- Surface Treatment: Polishing, Galvanizing, Anodizing, Powder Coating, Etc.
- MOQ: Customized
- Material: Steel Sheet; Alu Sheet, Stainless Steel
- Feature: Powder Coating; Sound Absorption, Decoration;
- Standard: AISI, GB
- Highlight: **Honeycomb Perforated Metal Sheet, Galvanized Perforated Metal Sheet,**

## Product Description

### Baodu Polished Aluminum Galvanized Honeycomb Punching Perforated Metal Sheet

#### Product Description:

Perforated Metal Sheet is a type of sheet metal with multiple holes punched in it. It is available in a variety of materials, including decorative galvanized stainless steel, aluminum, etc. This type of sheet metal is mainly used for sound absorption, decoration, sieving and sorting, and filtration. The perforated sheet can be manufactured with a wide range of hole sizes and patterns. The hole diameter can vary from 0.3mm to 1.2mm. The metal sheet can be manufactured with surface treatment such as polishing, galvanizing, anodizing, powder coating, etc. to meet different requirements. It is also available in various colors such as RAL. The powder coating makes the perforated sheet more durable and enhances its decorative properties.

#### Features:

- 1.can be formed easily
- 2.can be paint or polished
- 3.easy installation
- 4.attractive appearance
- 5.wide range of thicknesses available
- 6.largest selection of hole size patterns and configurations
- 7.uniform sound abatement
- 8.light weight
- 9.durable
- 10.superior abrasion resistance
- 11.accuracy of size

#### Applications:

BAODU Perforated Metal Sheet is an ideal choice for various applications. Its unique features such as Powder Coating, Sound Absorption, Decoration, and Protection make it suitable for a wide range of applications, such as cutting, decorative galvanized aluminium perforated sheets metal mesh, 1.2mm hole diameter perforated sheet punched metal, aluminum perforated sheet and many more. It can be customized in various colors such as RAL. The minimum order quantity is flexible and the price is reasonable. The packaging details are general for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the steel packing. If the clients need special packing, it will be done according to their requirements.

- 1.Industrial equipment: conveyors, dryers, heat dispersion, guards, diffusers, EMI/RFI protection
- 2.Lighting: fixtures
- 3.Medical: trays, pans, cabinets, racks
- 4.Pollution control: filters, separators
- 5.Power generation: intake and exhaust manifold silencers
- 6.Mining: screens
- 7.Retail: displays, shelving
- 8.Security: screens, walls, doors, ceilings, guards
- 9.Ships: filters, guards
- 10.Sugar processing: centrifuge screens, mud filter screens, backing screens, filter leaves, screens for dewatering and desanding, diffuser drainage plates
- 11.Textile: heat setting

#### Customization:

Our **Perforated Metal Sheet** with brand name **BAODU** is made from steel sheet, Aluminum, stainless steel of model **316 304** with small hole diameter **1.2mm** and punched metal. It meets **ISO9001** certification and has reasonable price. The hole pattern includes **Round, Square, Slotted, Hexagonal, Decorative, Etc.** This product has features of **Powder Coating, Sound Absorption, Decoration** and application of **Filter, Decoration, Protection, Etc.** The packing is general steel frame packing to keep goods not to be broken. The Minimum Order Quantity is discussible and processing service includes **Bending, Welding, Cutting, Punching**, with delivery time of **15days**. Payment terms are **L/C, D/A, D/P, T/T, Western Union, MoneyGram** and Supply Ability is **1000 Square Meter/Square Meters per Day**.

#### Support and Services:

Technical Support and Services for Perforated Metal Sheet

At our company, we provide a full range of technical support and services tailored to the needs of our customers. Our experienced team of professionals are available to assist with any questions or concerns regarding the use of Perforated Metal Sheet.

We offer a variety of services, including:

**Design and engineering support to ensure the proper selection and use of the product.**

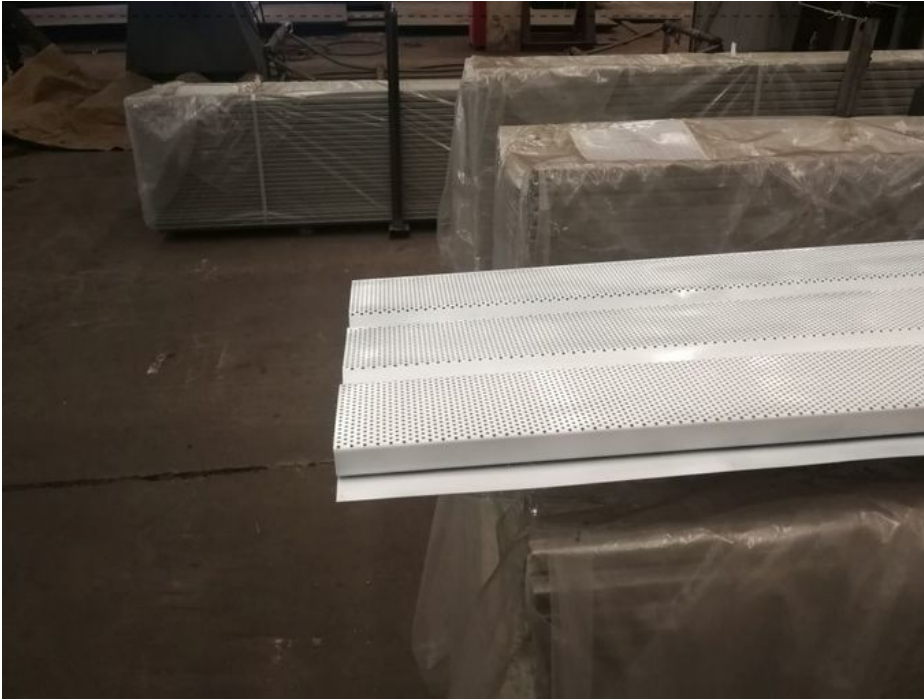

**Installation assistance to ensure the product is properly installed.**

**Fabrication and customization to meet the specifications of the project.**

**Maintenance and repair services to ensure the product remains in good condition.**

Our team of professionals is dedicated to providing excellent customer service and technical support. If you have any questions or would like to learn more about our services, please do not hesitate to contact us.

### **Packing and Shipping:**

### **BAODU:**

Baodu International Advanced Construction Material Co., Ltd was established in January 2010 with the office in Beijing and factory in Hebei, China. Baodu is a designer, manufacturer, supplier and exporter of industrial noise comprehensive treatment, steel structure, sandwich panel and prefab house. Baodu has an annual output of 6 million square meters of acoustic sandwich panels, 100000 tons of steel structures and 1 million square meters of floor decking sheet. The products are sold in more than 30 countries and regions around the world. Baodu has a professional design team with more than 10 years' experience, including 5 senior engineers, 20 engineers, and 35 technicians. Baodu has several energy saving and environment protection intellectual property rights, construction and environment protection design qualification, CE certification and Russian GOST certification etc. Baodu participated in the military parade village project for the 60th anniversary of China and project of Beijing Daxing International Airport. Under the guidance of China's "one belt, one road" strategy, Baodu has also undertaken overseas projects such as the project of Thar,Pakistan coal fired power plant, Hasyan Dubai power plant and so on. Finally, welcome your coming to Baodu for a visit and cooperation!
