

China High Quality AISI Carbon Steel Channel Q235B Q345Q345B SS400 For Construction

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Certification: CE, ISO, SGS
- Model Number: Steel Channel
- Minimum Order Quantity: 1 Ton
- Price: Reasonable
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 15days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 40000 Ton/Tons per Month

Product Specification

- Finishes: Hot Dip Galvanized/ Pre-glvanized/ Electro-polish
- Application: Construction/ Engineering/ Manufacturing
- Length: 3 Metres, 5.8 Meter, 6 Meter Or As Requirement
- Payment Term: 30%TT Advance + 70% Balance
- Surface Treatment: Galvanized/Black/Coated
- Alloy Or Not: Non-Alloy
- Type: Not Perforated
- Processing Service: Bending, Welding, Punching, Decoiling, Cutting
- Highlight: **SS400 carbon steel channel,**
Q345B carbon steel channel,
Construction carbon steel channel

Product Description

China High Quality AISI Carbon Steel Q235B Q345Q345B SS400 Channel Steel for Construction

Product Description:

Channel steel is the section of the groove shaped strip steel, belongs to the construction and mechanical use of carbon structural steel, is a complex section of steel steel, its section shape is groove.

Channel steel is mainly used in building structure,curtain wall engineering, mechanical equipment and vehicle manufacturing.

Features:

Specification	
Product Name	structure profile UPN C channel steel galvanized steel channel
Thickness	1.5mm-25mm
Length	6-12m or according to customer's special request
Height	80-160mm
Tolerance	Thickness: +/-0.02mm, height:+/-2mm
Material grade	Q195 Q195L Q235 Q235B Q345B
Technical	Hot /Cold rolled
Standard	AISI,ASTM,DIN,JIS,BS,GB/T
Certificate	UL,NEMA,ISO,CE,SGS,BV,BIS
Application Range	Hot-rolled and High frequency welded
Application	Widely used in steel structure construction purlin, wall beam, also can combine into a lightweight roof, bracket and otherNconstruction. In addition, can also be used for mechanical column, beam of light manufacturing and arm, etc.
Packing	tied up with steel strips and wrapped with water proof paper
Delivery Time	Delivered within 10 days after the receipt of deposit
Advantages	1. Reasonable price with excellent quality 2. Abundant stock and prompt delivery 3. Rich supply and export experience, sincere service

Technical Parameters:

Standard Sectional Dimension (mm)	Web thickness (mm)	Flange thickness(mm)	Weight (kg/m)
50*25	3.00~5.00	6	2.37~3.46
75*40	3.8	7	5.3
75*40	4	7	5.6
75*40	4.5	7	5.85
75*40	5	7	6.92
100*50	3.8	6	7.3
100*50	4.2	6	8.03
100*50	4.5	7.5	8.97
100*50	5	7.5	9.36
125*65	5.2	6.8	11.66
125*65	5.3	6.8	12.17
125*65	5.5	8	12.91
125*65	6	8	13.4
150*75	5.5	7.3	14.66
150*75	5.7	10	16.71
150*75	6	10	17.9
150*75	6.5	10	18.6
200*80	7.5	11	24.6
250*90	9	13	34.6
300*90	9	13	38.1

Applications:

The Steel Channel is a versatile product that can be used for multiple purposes. It can be used for framing, as a support beam, for bracing, or as a general structural component. The Steel Channel is also commonly used in construction projects that require a high degree of strength and durability. It is ideal for use in buildings, bridges, and other structures that require a strong and reliable support system.

BAODU Steel Channel is a top sale section steel hot rolled steel u-channel that is highly preferred by customers due to its quality and reasonable price. The Steel Channel is also available in galvanized channel steel, which has a protective coating that prevents rust and corrosion. The Steel Channel is certified by CE, ISO, and SGS, ensuring that it meets the highest standards of quality and safety.

The Steel Channel is packaged using steel frame packing to keep goods from being broken. For sandwich panel and color steel sheet, we use plastic packing. If clients need special packaging, we will provide according to their requirements. The Steel Channel has a minimum order quantity of 1 ton and is available at a reasonable price. We offer a delivery time of 15 days and accept various payment terms such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

BAODU Steel Channel has a supply ability of 40000 Ton/Tons per month, ensuring that we can meet the demands of our customers. Its surface treatment is galvanized, black, or coated, making it ideal for use in various environments.

BAODU Steel Channel is the perfect solution for construction, engineering, and manufacturing projects that require a strong and durable support system. Its high-quality raw materials, certification, and reasonable price make it a top choice for customers. Order now and get the best stainless steel c channel for your project!

Advantage:

- 01 Fine cutting, factory spot supporting processing
- 02 Strict selection of excellent steel, good processing performance
- 03 High strength, not easy to corrosion, long service life
- 04 It is used in many industries and fields

Support and Services:

Our Steel Channel product comes with comprehensive technical support and services to ensure that our customers have a hassle-free experience. Some of the technical support and services we provide include:

[Expert advice on product selection and application](#)

[Product customization to meet specific requirements](#)

[Installation guidelines and support](#)

[Maintenance and repair services](#)

[Product training and education](#)

Our team of experienced professionals is always ready to assist our customers with any technical support and service needs they may have. We are committed to providing the highest level of customer service and ensuring that our customers are satisfied with our products and services.

Packing and Shipping:

FAQ:

Q: What is the brand name of this product?

A: The brand name is BAODU.

Q: What is the model number of this product?

A: The model number is Steel Channel.

Q: Where is this product manufactured?

A: This product is manufactured in Hebei, China.

Q: What certifications does this product have?

A: This product is certified with CE, ISO, and SGS.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity is 1 ton.

Q: What is the price of this product?

A: The price is reasonable.

Q: How is this product packaged?

A: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.

Q: What is the delivery time for this product?

A: The delivery time is 15 days.

Q: What are the payment terms for this product?

A: The payment terms are L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

Q: What is the supply ability for this product?

A: The supply ability is 40000 Ton/Tons per month.
