

## Modular Custom Design Prefabricated Steel Structure Building For Hotel / Office

Our Product Introduction

for more products please visit us on [baodupanel.com](http://baodupanel.com)

### Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 21 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

### Product Specification

- Product Name: Modular Building Custom Design Prefabricated Steel Structure Building For Hotel/Office
- Roof & Wall Panel: Color Steel Veneer, Rockwool Sandwich Panel, PU Sandwich Panel Etc
- Maintenance: Low
- Grade: Q235, Q355
- Security: High
- Keyword: Steel Structure Building Warehouse
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Installation: Easy
- Door: Sliding Door, Rolling Door, Shutter Single Door, Color Steel

## Product Description

### Modular Building Custom Design Prefabricated Steel Structure Building For Hotel/Office

#### Product Description:

This Steel Structure warehouse comes with a surface treatment of either Hot Dip Galvanised or Painted, which makes it resistant to rust and corrosion. The steel is treated through a process that involves dipping it in molten zinc, which forms a protective layer on the surface, preventing it from rusting and corroding. The paint coating also provides additional protection against the elements and helps to enhance the aesthetic appeal of the building.

The Prefab Steel Warehouse comes with different door options, including Sliding Door, Rolling Door, Shutter Single Door, and Color Steel. These doors provide easy access to the warehouse and can be customized to meet specific requirements. The sliding and rolling doors are ideal for large warehouses, while the shutter single door is suitable for small warehouses.

This Light Steel Structure warehouse is built to last and can withstand harsh weather conditions, making it ideal for industrial use. The steel framework ensures that the building can withstand high winds, heavy snow loads, and earthquakes. The durability of this product makes it a cost-effective solution for businesses that require a reliable and sturdy warehouse.

The Prefab Steel Warehouse is a type of Light Steel Structure that is easy to install and requires minimal maintenance. The steel components are prefabricated off-site and delivered to the construction site, where they are assembled. The installation process is quick and efficient, reducing the overall construction time and costs. The building requires minimal maintenance, saving businesses time and money in the long run.

In conclusion, the Prefab Steel Warehouse is a durable, reliable, and cost-effective solution for businesses that require a sturdy and secure storage facility. Its high-grade steel construction, surface treatment, customizable door options, and ease of installation and maintenance make it an ideal choice for industrial use.

#### Features:

Name	Steel Structure Building	
Main Material	Q235 - Q420 Welded H Beam And Hot Rolled Section Steel	
Surface	Painting Or Galvanizing	
Roof And Wall Panel	EPS Sandwich Board, Single Corrugated Steel Plate, Glass Cotton Colored Board for Customers'Choice	
Window	PVC Or Aluminum Alloy	
Door	Sliding Door Or Rolling Shutter Door	
Service	Design	We have experienced designers to design.
	Manufacture	We can manufacture all kinds of steel structure products according to customers'needs.
	Installation	We provide detailed drawings to ensure installation. It also provides installation, supervision and training services. We can also send a team of engineers to guide or install on site.
Packing	1. Steel structure components will be in nude packaging with proper protection. .Sandwich panels will be covered with plastic film. 3. Bolts and other accessories will be loaded into wooden boxes. 4. Container Drying Treatment. 5. According to customer's requirement	
Quality Inspection	Factory Self-inspectionCustomer Inspection Third Party Inspection	

### Technical Parameters:

If you are interested in our steel structure , please give us the following information:

- 1 Location (where will be built? ) \_\_\_\_country, area
- 2 Size: Length\*width\*height \_\_\_\_mm\*\_\_\_\_mm\*\_\_\_\_mm
- 3 wind load (max. Wind speed) \_\_\_\_kn/m2, \_\_\_\_km/h, \_\_\_\_m/s
- 4 snow load (max. Snow height)\_\_\_\_kn/m2, \_\_\_\_mm
- 5 anti-earthquake \_\_\_\_level
- 6 brickwall needed or not If yes, 1.2m high or 1.5m high
- 7 thermal insulation If yes, EPS, fiberglass wool, rockwool, PU sandwich panels will be suggested; If not, the metal steel sheets will be ok. The cost of the latter will be much lower than that of the former.
- 8 door quantity & size \_\_\_\_units, \_\_\_\_ (width)mm\*\_\_\_\_ (height)mm
- 9 window quantity & size \_\_\_\_units, \_\_\_\_ (width)mm\*\_\_\_\_ (height)mm
- 10 crane needed or not If yes, \_\_\_\_units, max. Lifting weight\_\_\_\_tons; Max. Lifting height \_\_\_\_m.

### Applications:

This Steel Structure Building Warehouse has a minimum order quantity that is discussible, and its price is very reasonable. The packaging details are excellent and ensure that the goods are not broken during transport. The delivery time is 15-21 days, and payment terms are flexible, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

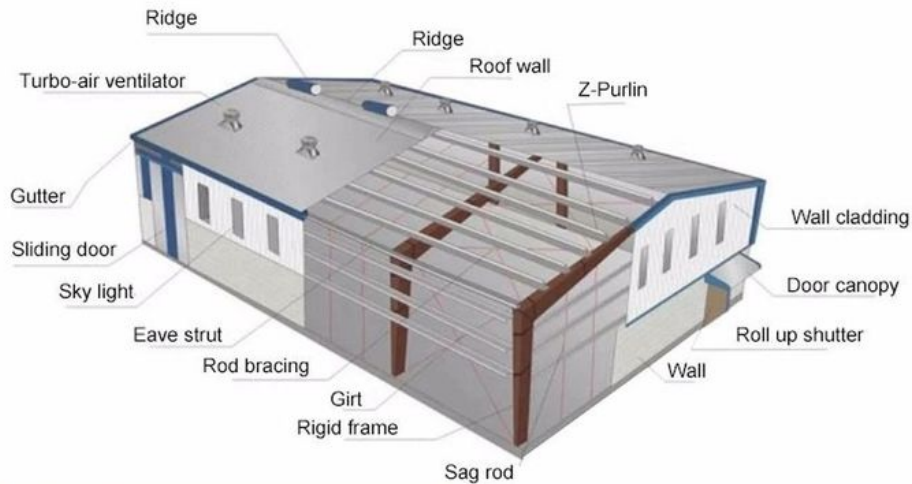

BAODU Steel Warehouse is perfect for a variety of application scenarios. It can be used as a steel warehouse workshop, hangar hall steel structure, gable frame Steel Structure, and more. The Steel Structure is made from high-grade Q235 and Q355 steel, which makes it incredibly strong and durable.

The security of the Steel Structure is also incredibly high. It has been designed to withstand a variety of weather conditions, including high winds, heavy rain, and even earthquakes. This makes it perfect for use in areas that are prone to natural disasters.

In summary, if you are looking for a high-quality Steel Structure Building Warehouse that is both affordable and durable, look no further than BAODU's Steel Warehouse. With its flexible payment terms, excellent packaging, and quick delivery time, you can be assured that you are making a great investment in your business.

### Customization:

## Steel structure

## Steel structure material

- 1,BAODU is a comprehensive enterprise which integrates design, production, processing, logistics, transportation and construction in the steel structure construction industry.
- 2,It has 23 production lines of various types of steel structures and plates, covering the production and processing of all materials in the steel structure construction industry.
- 3,Obtained ISO 9001 international quality management system certification, steel structure, color steel plate, integrated housing CE certification.

## Support and Services:

Our Prefab Steel Warehouse product comes with comprehensive technical support and services to ensure that our customers are fully satisfied with their purchase. Our team of experts is available to assist with any questions or concerns that may arise during installation or use of the product.

Our technical support includes:

[Guidance on installation and set up](#)

[Troubleshooting assistance](#)

[Product maintenance advice](#)

[Product upgrade information](#)

In addition to technical support, we also offer a range of services to enhance the functionality and longevity of our Prefab Steel Warehouse product:

[Customization services to meet specific customer requirements](#)

[Regular maintenance and inspection services](#)

[Repair and replacement services](#)

[Consultation services for expansion or relocation projects](#)

Our goal is to provide our customers with a high-quality product that meets their needs and exceeds their expectations. We are committed to delivering exceptional technical support and services to ensure that our customers are fully satisfied with their purchase.

## Packing and Shipping:

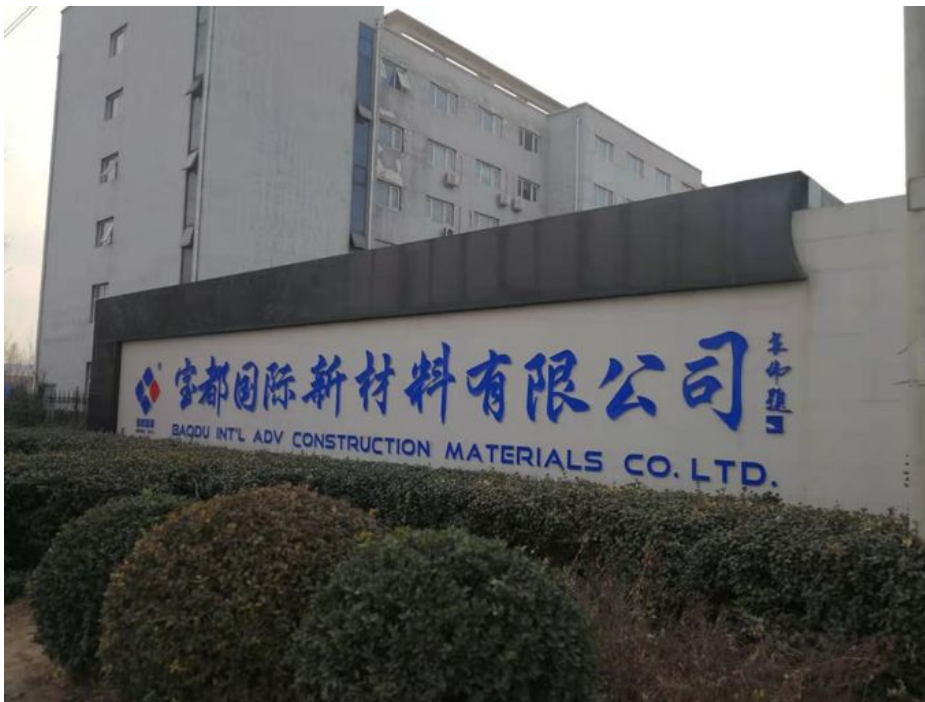

#### Product Packaging:

The prefab steel warehouse will be packaged in a way that ensures safe and secure transportation. The components will be carefully wrapped and packed in steel sheet to prevent damage during shipping.

#### Shipping:

Shipping will be arranged by the manufacturer to ensure that the product arrives at the destination in a timely and safe manner. The shipping method will depend on the location and requirements of the customer. The customer will be informed of the shipping details and provided with a tracking number to monitor the shipment.

#### Company:

Baodu International Advanced Construction Material Co., Ltd was established in January 2010 with the office in Beijing and factory in Hebei, China. Baodu is a designer, manufacturer, supplier and exporter of industrial noise comprehensive treatment, steel structure, sandwich panel and prefab house. Baodu has an annual output of 6 million square meters of acoustic sandwich panels, 100000 tons of steel structures and 1 million square meters of floor decking sheet. The products are sold in more than 30 countries and regions around the world. Baodu has a professional design team with more than 10 years' experience, including 5 senior engineers, 20 engineers, and 35 technicians. Baodu has several energy saving and environment protection intellectual property rights, construction and environment protection design qualification, CE certification and Russian GOST certification etc. Baodu participated in the military parade village project for the 60th anniversary of China and project of Beijing Daxing International Airport. Under the guidance of China's "one belt, one road" strategy, Baodu has also undertaken overseas projects such as the project of Thar, Pakistan coal fired power plant, Hasyan Dubai power plant and so on. Finally, welcome your coming to Baodu for a visit and cooperation!

#### FAQ:

**Q: What is the brand name of this product?**

A: The brand name of this product is BAODU.

**Q: What is the model number of this product?**

A: The model number of this product is Steel Warehouse.

**Q: Where is this product manufactured?**

A: This product is manufactured in Hebei, China.

**Q: What certifications does this product have?**

A: This product has ISO9001 and CE certifications.

**Q: What are the payment terms for this product?**

A: The payment terms for this product include L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

**Q: What is the minimum order quantity for this product?**

A: The minimum order quantity for this product is discussible.

**Q: What is the packaging method for this product?**

A: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing, we will according to their requirements.

**Q: What is the delivery time for this product?**

A: The delivery time for this product is 21 days.

**Q: What is the supply ability for this product?**

A: The supply ability for this product is 10000 Square Meter/Square Meters per Month.

**Q: What is the price of this product?**

A: The price of this product is reasonable.
