

Modern Metal Steel Structure Prefab Workshop Warehouse Factory Steel Frame Warehouse Shed Building On Sale

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15-21 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

Product Specification

- Product Name: Modern Metal Steel Structure Prefab Workshop Warehouse Factory Steel Frame Warehouse Shed Building On Sale
- Window: Aluminum Alloy Window, Plastic Steel
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Feature: Long Fatigue Life
- Installation: Easy
- Surface Treatment: Hot Dip Galvanised Or Painted
- Application: Steel Storage, factory Or Logistic Warehouse
- Purlin: C.Z Shape Steel
- Highlight: **High Weather Resistance Prefab Steel Warehouse**, **High Security Prefab Steel Warehouse**, **High Durability Prefab Steel Warehouse**

Product Description

Modern Metal Steel Structure Prefab Workshop Warehouse Factory Steel Frame Warehouse Shed Building On Sale

Product Description:

The Roof & Wall Panel of the Prefab Steel Warehouse is made of high-quality materials such as Color Steel Veneer, Rockwool Sandwich Panel, and PU Sandwich Panel. These materials ensure that the building is weather-resistant and can withstand harsh weather conditions.

The Building Galvanized Storage Light Steel Building is delivered within 15-21 days, making it a quick and efficient solution for your storage needs. The Prefab Warehouse Construction is easy to assemble, and it is designed to be energy-efficient, making it an environmentally friendly choice.

The Prefab Steel Warehouse is perfect for a variety of storage needs, including industrial storage, agricultural storage, and commercial storage. It is ideal for those who need a quick and efficient storage solution that is both reliable and affordable.

In summary, the Prefab Steel Warehouse is a Building Galvanized Storage Light Steel Building that is designed for easy construction, customizable to your specific needs, and delivered within 15-21 days. It is weather-resistant and comes with a range of processing services such as bending, welding, decoiling, cutting, and punching. It is perfect for a variety of storage needs, making it an ideal choice for those who need a reliable and affordable storage solution.

Features:

Specifications:	
main steel frame	H section steel beam and columns, painted or galvanized, galvanized C section or steel pipe
Secondary frame	hot dip galvanized C purlin , steel bracing , tie bar , knee brace , edge cover etc.
Roof panel	EPS sandwich panel,glass fiber sandwich panel,rock wool sandwich panel,and PU sandwich panel or steel sheet
Wall panel	Sandwich Panel or Corrugated Steel Sheet
Tie Rod	Circular Steel Tube
Brace	Round Bar
Knee Brace	Angle Steel
Roof Gutter	Color Steel Sheet
Drawings & Quotation:	
(1) Customized design is welcomed.	

(2) In order to give you an exactly quotation and drawings, please let us know the length, width, eave height and local weather. We will quote for you promptly.

Technical Parameters:

If you are interested in our steel structure , please give us the following information:

- 1 Location (where will be built?) _____country, area
- 2 Size: Length*width*height _____mm*_____mm*_____mm
- 3 wind load (max. Wind speed) _____kn/m2, _____km/h, _____m/s
- 4 snow load (max. Snow height)_____kn/m2, _____mm
- 5 anti-earthquake _____level
- 6 brickwall needed or not If yes, 1.2m high or 1.5m high
- 7 thermal insulation If yes, EPS, fiberglass wool, rockwool, PU sandwich panels will be suggested; If not, the metal steel sheets will be ok. The cost of the latter will be much lower than that of the former.
- 8 door quantity & size _____units, _____(width)mm*_____ (height)mm
- 9 window quantity & size _____units, _____(width)mm*_____ (height)mm
- 10 crane needed or not If yes, _____units, max. Lifting weight_____tons; Max. Lifting height _____m.

Applications:

- 1: The components of steel structures have small cross-sections, light weight, and are easy to transport and install. They are suitable for structures with large spans, high heights, and heavy loads.
- 2: Suitable for withstanding impact and dynamic loads, with good seismic performance, uniform internal structure of steel, and high reliability.
- 3: Mechanized production of steel structural components with high precision, high production efficiency, fast on-site assembly speed, and short construction period in factories.

4: Steel structures have high fire resistance and corrosion resistance. 5: Steel structure buildings are easy to move and pollution-free. BAODU Steel Warehouse is a high-quality, durable and cost-effective solution for your storage needs. Our Steel Warehouse is made of light steel building materials and is galvanized to ensure long-lasting durability. It is suitable for various occasions and scenarios, including but not limited to:

[Building Galvanized Storage Light Steel Building](#)

[Workshop Industrial Steel](#)

[Warehouse](#)

[Logistics center](#)

[Garage](#)

[Metal Processing Plant](#)

[Steel Structure Factory](#)

[Hangar](#)

Our Steel Warehouse is ISO9001 and CE certified, ensuring the highest quality standards. The minimum order quantity is negotiable, and the price is reasonable. The Steel Warehouse is packaged with steel frame packing to ensure goods are not broken during transportation, and the delivery time is 21 days. We accept various payment terms, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Our supply ability is 10000 Square Meter/Square Meters per month.

Maintenance is low, and the surface treatment is hot dip galvanized or painted. The Steel Warehouse is weather-resistant and easy to install with corrugated/EPS/PU/rock wool/glass wool roof and wall options. No matter what your storage needs are, BAODU Steel Warehouse is a reliable and cost-effective solution for your business.

Support and Services:

Our Prefab Steel Warehouse product comes with comprehensive technical support and services to ensure that our customers are fully satisfied with their purchase. Our team of experts is available to assist with any questions or concerns that may arise during installation or use of the product.

Our technical support includes:

[Guidance on installation and set up](#)

[Troubleshooting assistance](#)

[Product maintenance advice](#)

[Product upgrade information](#)

In addition to technical support, we also offer a range of services to enhance the functionality and longevity of our Prefab Steel Warehouse product:

[Customization services to meet specific customer requirements](#)

[Regular maintenance and inspection services](#)

[Repair and replacement services](#)

[Consultation services for expansion or relocation projects](#)

Our goal is to provide our customers with a high-quality product that meets their needs and exceeds their expectations. We are committed to delivering exceptional technical support and services to ensure that our customers are fully satisfied with their purchase.

Packing and Shipping:

Product Packaging:

The prefab steel warehouse product will be packaged in a secure and sturdy manner to ensure safe transportation and delivery. The individual components will be labeled and organized for easy assembly.

Shipping:

Shipping will be arranged by the seller and the cost will be included in the purchase price. The delivery time will depend on the location of the buyer and the availability of transportation. The seller will provide tracking information to the buyer once the shipment has been sent.

FAQ:

Q: What is the brand name of the product?

A: The brand name of the product is BAODU.

Q: What is the model number of the product?

A: The model number of the product is Steel Warehouse.

Q: Where is the product manufactured?

A: The product is manufactured in Hebei, China.

Q: What certifications does the product have?

A: The product has certifications for ISO9001 and CE.

Q: What are the payment terms for purchasing the product?

A: The payment terms for purchasing the product are L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

Q: What is the minimum order quantity for the product?

A: The minimum order quantity for the product is discussible.

Q: What is the price of the product?

A: The price of the product is reasonable.

Q: How is the product packaged?

A: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing, we will according to their requirements.

Q: What is the delivery time for the product?

A: The delivery time for the product is 21 days.

Q: What is the supply ability of the product?

A: The supply ability of the product is 10000 Square Meter/Square Meters per Month.
