

## Prefabricated Steel Structure Logistics Warehouse Workshop Industrial Building Commercial Building

Our Product Introduction

for more products please visit us on [baodupanel.com](http://baodupanel.com)

### Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15-21 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

### Product Specification

- Product Name: Prefabricated Steel Structure Logistics Warehouse Workshop Industrial Building Commercial Building Steel Structure Warehouse
- Type: Light Steel Structure
- Keyword: Steel Structure Building Warehouse
- Roof And Wall: Corrugated/EPS/PU/Rock Wool/glass Wool
- Weather Resistance: High
- Fire Resistance: High
- Roof & Wall Panel: Color Steel Veneer, Rockwool Sandwich Panel, PU Sandwich Panel Etc
- Main Frame: Solid H-shape Steel Beam
- Highlight: **Industrial Building Prefabricated Steel Structure**

## Product Description

### Prefabricated Steel Structure Logistics Warehouse Workshop industrial Building Commercial building steel structure warehouse

#### Product Description:

One of the key features of the Prefab Steel Warehouse is its gable frame Steel Structure, providing maximum strength and durability to the overall design. This makes it an ideal choice for those looking for a long-term solution for their storage needs.

The Steel warehouse workshop hangar hall steel structure is also designed with low maintenance in mind, ensuring that you can focus on your business rather than constantly worrying about upkeep. This is particularly important for those who have a busy schedule and need a storage solution that can keep up with their demands.

Security is also a top priority with the Prefab Steel Warehouse, with its high level of protection ensuring that your products are safe from theft and damage. This is particularly important for those who store valuable items and need a secure storage solution they can rely on.

When it comes to the brand name, the Prefab Steel Warehouse is made by BAODU, a trusted name in the industry known for their commitment to quality and customer satisfaction. You can rest assured that you are getting the best possible product when you choose the Prefab Steel Warehouse.

Overall, the Prefab Steel Warehouse is the perfect choice for those looking for a reliable, durable, and secure storage solution. With its gable frame Steel Structure, low maintenance, and high level of security, it is sure to meet all your storage needs. Whether you are looking for a Steel warehouse workshop hangar hall steel structure for personal or commercial use, the Prefab Steel Warehouse is the ideal choice.

#### Features:

<b>Main Structure</b>	Including Column & Beam, Made of welded H section Steel, Steel Grade Q355B/Q235B
	Column & Beam Connection: High Strength Bolt
	Column & Foundation Connection: Pre-embedded Anchor Bolt
<b>Secondary Structure</b>	Roof Purlin & Wall Purlin: C-shape or Z-shape Steel
	Knee Brace: Angle Steel
	Brace: Steel Rod
	Tie Bar: Steel Pipe

Types of wall panels and roof panels	Applicable Regions and Scenarios
Color Steel Sheet	Areas without winter, preferred for processing workshops and warehouses
Color Steel Sheet & Fiberglass Roll Insulation	Areas with winter but with low requirements of temperature , preferred for warehouses and workshops
Insulated Sandwich Panel	Workshops and warehouses with temperature requirements
PU Insulated Sandwich Panel	Workshops, warehouses and public facilities with high requirements of temperature for the working environment

#### Technical Parameters:

Quotation information:

If you are interested in our products, please let us know your requirements for the steel structure project.

1: Location: Which country and region is the building located in.

2: Dimensions: Length \* Width \* Height

3: Wind load: maximum wind speed (kn/m2, km/h, m/s)

4: Snow load (if applicable): maximum snow height (kn/m2, mm)

5: Single layer steel plate mast or sandwich panel mast Do you need insulation materials? If so, it is recommended to use EPS, fiberglass wool, rock wool, and PU sandwich panels. If not, metal steel plates will be very affordable.

6: Seismic grade?

- 7: Do we need brick walls or not? If so, 1.2 meters high or 1.5 meters high  
8: The Q value (unit) and size (width \* height) of doors and windows.  
9: Do you need a crane or not? If so, it is the quantity (unit), maximum lifting weight (ton), and maximum lifting height (meter).  
10: Are there any other special requirements?

### Applications:

- 1) Moisture and heat resistance, waterproof and fireproof.
- 2) It can be freely lifted, fixed and combined.
- 3) Convenient transportation, cheap price and cost saving.
- 4) It is easy to assemble and disassemble, and it will not be damaged many times.
- 5) The service life is more than 50 years.
- 6) We provide remote online installation, supervision and training services. For major projects, we will conduct on-site guidance, installation and post-maintenance.
- 7) Prefabricated houses, offices, warehouses, workshops, greenhouses, workshops, garages, cold storages, container houses, hotels, toilets, etc...

### Project Cases:

**Gas Turbine Combined Cycle Power Station Expansion Project in Basra Iraq**

**Clean Coal Fired Power Plant Phase I (4x600mw net) Project in Hasyan Dubai**

### Packing and Shipping:

**Product Packaging:**

The prefabricated steel warehouse will be packaged in sturdy box to prevent any damage during transportation.

All components will be carefully wrapped and secured to ensure safe delivery.

**Shipping:**

The product will be shipped via truck or container, depending on the size of the order and the destination.

Shipping fees will be calculated based on the distance and weight of the order.

Delivery times may vary depending on the destination and shipping method.

Customers will be provided with a tracking number to monitor the status of their shipment.

**FAQ:**

**Q: What is the brand name of this product?**

A: The brand name of this product is BAODU.

**Q: What is the model number of this product?**

A: The model number of this product is Steel Warehouse.

**Q: What is the place of origin of this product?**

A: The place of origin of this product is Hebei, China.

**Q: What certifications does this product have?**

A: This product is certified with ISO9001 and CE.

**Q: What is the packaging method and delivery time for this product?**

A: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing, it will be according to their requirements. The delivery time for this product is 21 days.

**Q: What is the payment method and supply ability for this product?**

A: The payment terms for this product include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability for this product is 10000 Square Meter/Square Meters per month and the price is reasonable.
