

Modern Design Style Prefabricated Structure Warehouse With Roof Cladding Of EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 21 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

Product Specification

- Product Name: Metal Buildings Prefab Buildings
Prefabricated Structure Warehouse
- Warranty: 50 Years
- Wall Cladding: EPS/Rockwool/Fiberglass Wool/PU
Sandwich Panel Or Steel Sheet
- Tolerance: $\pm 1\%$
- Application: Steel Storage, factory Or Logistic Warehouse
- Durability: High
- Roof Cladding: EPS/Rockwool/Fiberglass Wool/PU
Sandwich Panel Or Steel Sheet
- Drawing Design: SAP2000/AutoCAD /PKPM /3D3S/TEKLA
- Type: Light Steel Structure
- Design Style: Modern
- Profile: C/Z Galvanized Steel (Q235)

Product Description

Metal Buildings Prefab Buildings Prefabricated Structure Warehouse

Product Description:

Steel Structure Factory

Baodu steel structure factory (prefabricated factory or metal factory) is made of high-quality raw materials, so they can withstand hurricane, blizzard and earthquakes. No matter what kind of scenario, our products can still ensure safety and keep standing.

Prefabricated Factory Building

We are not only a steel structure manufacturer, but also your full cycle building solution partner, empowering global landmarks and industrial future with precise quality and innovative technology from design, production to installation.

Features:

Product name	Steel Structure Factory Building	
Main materials	Main structure	Q355B Welded H beam and column (equivalent to S355JR, ASTM A572 Gr. 50)
	Secondary structure	Q235B (equivalent to S235JR, ASTM A36)
surface treatment	Galvanized or Painted	
Roof & wall panel	Single steel sheet & Insulated sandwich panels (PU, rock wool and EPS)	
Doors	Steel sheet or galvanized steel sheet	
Windows	PVC or aluminum alloy windows	
Our service	Design	Professional structural design
	Manufacture	We can manufacture all kinds of steel structure products based on different conditions of projects
	Installation	We provide detailed drawings to ensure installation. We also provide remote guidance for installation. We can also send a team of engineers to guide or install on site.

Quality inspection	Factory Self-inspection Customer inspection Third party inspection
Other components are available upon request, please provide the detailed for custom design	

Technical Parameters:

If you are interested in our steel structure , please give us the following information:

- 1 Location (where will be built?) _____country, area
- 2 Size: Length*width*height _____mm*_____mm*_____mm
- 3 wind load (max. Wind speed) _____kn/m2, _____km/h, _____m/s
- 4 snow load (max. Snow height)_____kn/m2, _____mm
- 5 anti-earthquake _____level
- 6 brickwall needed or not If yes, 1.2m high or 1.5m high
- 7 thermal insulation If yes, EPS, fiberglass wool, rockwool, PU sandwich panels will be suggested; If not, the metal steel sheets will be ok. The cost of the latter will be much lower than that of the former.
- 8 door quantity & size _____units, _____(width)mm*_____(height)mm
- 9 window quantity & size _____units, _____(width)mm*_____(height)mm
- 10 crane needed or not If yes, _____units, max. Lifting weight_____tons; Max. Lifting height _____m.

Applications:

**MULTI-STOREY BUILDING
IN PHILIPPINES**

**HEAVY WORKSHOP
IN AUSTRALIA**

**STEEL WAREHOUSE
IN GERMANY**

**STEEL BUILDING
IN ZIMBABWE**

**FACTORY WAREHOUSE
IN MALAWI**

**SHOPPING MALL
IN PHILIPPINES**

**PREFABRICATED SHED
IN CANADA**

**PREFAB WAREHOUSE
IN CANADA**

**METAL WORKSHOP
IN INDONESIA**

BAODU Prefab Steel Warehouse is a versatile and reliable solution for various product application occasions and scenarios. With its durable construction and high-quality materials, this steel warehouse is suitable for a wide range of purposes. Whether you need a building for galvanized storage, light steel building, workshop industrial steel, or any other commercial or industrial use, the BAODU Steel Warehouse is an ideal choice.

Manufactured in Hebei, China, this steel warehouse meets the highest standards of quality and safety. It is certified with ISO9001 and CE, ensuring that it complies with all relevant regulations and requirements. The minimum order quantity is discussible, making it easy to tailor the purchase to your specific needs.

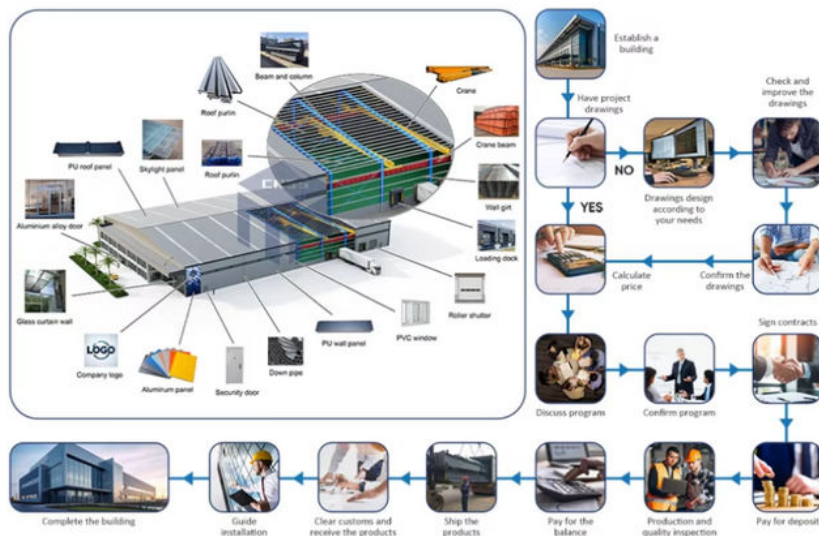

With a reasonable price and excellent packaging details, the BAODU Steel Warehouse offers great value for money. The steel frame packing ensures that the goods are protected during transportation, while the plastic packing for sandwich panels and color steel sheets keeps them secure. Special packing options are also available upon request.

Delivery time for the BAODU Steel Warehouse is just 21 days, allowing for quick and efficient installation. Multiple payment terms are accepted, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram, making the purchasing process convenient for customers. The supply ability of 10000 square meters per month ensures that orders can be fulfilled promptly.

With a tolerance of $\pm 1\%$, the BAODU Steel Warehouse is designed to meet strict accuracy requirements. The wall cladding options include EPS, Rockwool, Fiberglass Wool, PU Sandwich Panel, or Steel Sheet, providing flexibility for different preferences. The aluminum alloy and plastic steel windows offer both durability and aesthetics.

Installation of the BAODU Steel Warehouse is easy and straightforward, making it a practical choice for various construction projects. Whether you need a storage facility, workshop, or industrial building, this prefabricated steel warehouse delivers reliable performance and long-lasting quality.

Customization:

Support and Services:

The Product Technical Support and Services for the Prefab Steel Warehouse include:

- Assistance with assembly and installation instructions
- Troubleshooting guidance for any structural issues
- Information on maintenance and upkeep of the steel components
- Consultation on customization options for specific project requirements

Packing and Shipping:

Product Packaging:

Our Prefab Steel Warehouse is carefully packaged to ensure safe transportation and delivery. Each component is securely wrapped and labeled for easy identification during the assembly process.

Shipping:

We offer worldwide shipping for our Prefab Steel Warehouse. Our logistics team works diligently to arrange efficient transport and ensure timely delivery to your desired location. Shipping fees may vary depending on the delivery destination and order quantity.

FAQ:

Q: What is the brand name of the Prefab Steel Warehouse?

A: The brand name is BAODU.

Q: What is the model number of the Prefab Steel Warehouse?

A: The model number is Steel Warehouse.

Q: Where is the Prefab Steel Warehouse manufactured?

A: The Prefab Steel Warehouse is manufactured in Hebei, China.

Q: What certifications does the Prefab Steel Warehouse have?

A: The Prefab Steel Warehouse is certified with ISO9001 and CE.

Q: What are the payment terms accepted for purchasing the Prefab Steel Warehouse?

A: The accepted payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
