

Customized Steel Structure Buildings Prefab Workshop Plants & Warehouses with Factory Price

Our Product Introduction

Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: 300 square meters
- Price: \$25-45 square meter
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 45 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meter/Square Meters per Day

Product Specification

- Product Name: Customized Steel Structure Buildings Prefab Workshop Plants & Warehouses With Factory Price
- Keyword: Steel Building Warehouse
- Main Frame: Steel Column & Steel Beam
- Wall Cladding: EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Application: Steel Storage, factory Or Logistic Warehouse
- Roof Cladding: EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
- Drawing Design: SAP2000/AutoCAD /PKPM /3D3S/TEKLA
- Performance: Safety, Water-proof, Sound Insulated Hear-preservation Etc.
- After-sale Service: Online Technical Support
- Price Term: FOB CIF CFR EXW

Product Description

Customized Steel Structure Buildings Prefab Workshop Plants & Warehouses with Factory Price

Product Specifications

Attribute	Value
Product name	Customized Steel Structure Buildings Prefab Workshop Plants & Warehouses with Factory Price
Keyword	Steel Building Warehouse
Main frame	steel column & steel beam
Wall cladding	EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
Processing Service	Bending, Welding, Decoiling, Cutting, Punching
Application	Steel Storage, factory Or Logistic Warehouse
Roof cladding	EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
Drawing design	SAP2000/AutoCAD /PKPM /3D3S/TEKLA
Performance	Safety, water-proof, sound insulated hear-preservation etc.
After-sale Service	Online technical support
Price Term	FOB CIF CFR EXW
Window	Aluminum Alloy Window, Plastic Steel
Installation Time	Short
Column	Welded H Steel

Technical Specifications

Main steel frame	
Column	Q235, Q355 Welded H Section Steel
Beam	Q235, Q355 Welded H Section Steel
Secondary Frame	
Purlin	Q235 C and Z purlin
Knee brace	Q235 Angle Steel
Tie Rod	Q235 Circular Steel Pipe
Brace	Q235 Round Bar

Product Overview

As a premier international supplier, we specialize in the design, engineering, and export of high-performance steel structure solutions for industrial, commercial, and logistical applications worldwide. We provide end-to-end services, delivering custom-designed buildings that comply with international standards (ASTM, AISC, ISO) and are engineered for exceptional durability, corrosion resistance, and performance in diverse climatic conditions, including high wind and seismic zones.

Our core strength lies in our ability to offer cost-effective, sustainable, and rapidly deployable buildings through precision manufacturing and optimized logistics, ensuring a streamlined process from initial design to final delivery on your site. By leveraging our global expertise and commitment to quality, we empower businesses with reliable, eco-friendly, and efficient facilities that accelerate project timelines and maximize long-term value.

Key Advantages

Full-service provider: Design, engineering, export

Quality & Compliance: International standards (ASTM, AISC, ISO)

Durability: Corrosion resistance, performance in wind/seismic zones

Customization: Tailored for client needs

Economic Benefits: Cost-effective, rapid deployment, long-term value

Sustainability: Eco-friendly

Global Experience: Worldwide projects

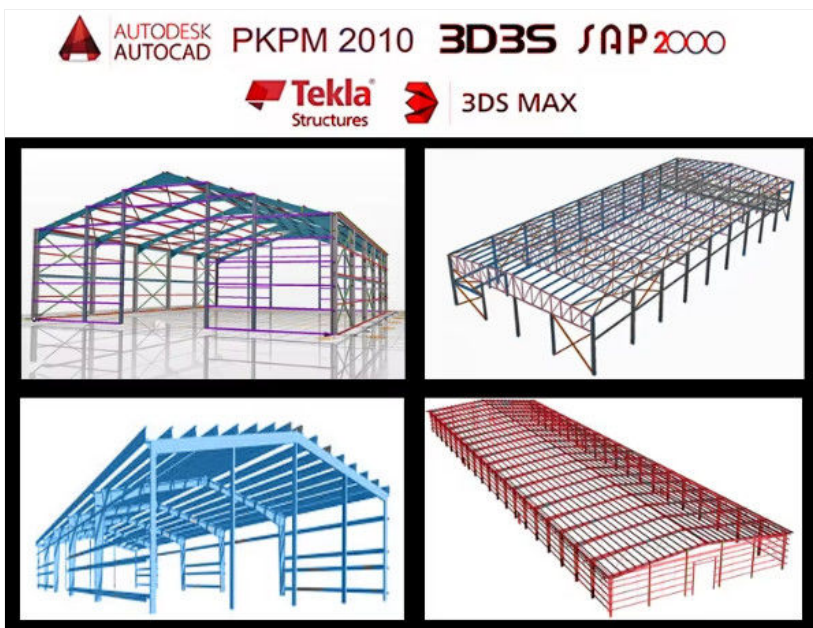

Project Gallery

Our Capabilities

We have a professional design team about 40 people, with 10 years design experience. We can meet your individual needs. And multi-type steel components, roof and wall panels, doors and windows for choosing.

Required Information for Custom Orders

Project Progress: Is Land Purchased? Is it licensed by the government?

Usage: for warehouse, workshop, showroom, etc.

Location: In which country will it be built?

Local Climate: Wind speed, Snow load (max. Wind speed)

Design: Please provide the design drawing. Or do you need us to design for you?

Dimension: Length*width*height

Crane Beam: Do you need crane beam inside the steel structure?

Roof and Wall: determine the panel material, such as color steel panel, and metal sandwich panel.

Windows and Doors: what material, quantity, and type?

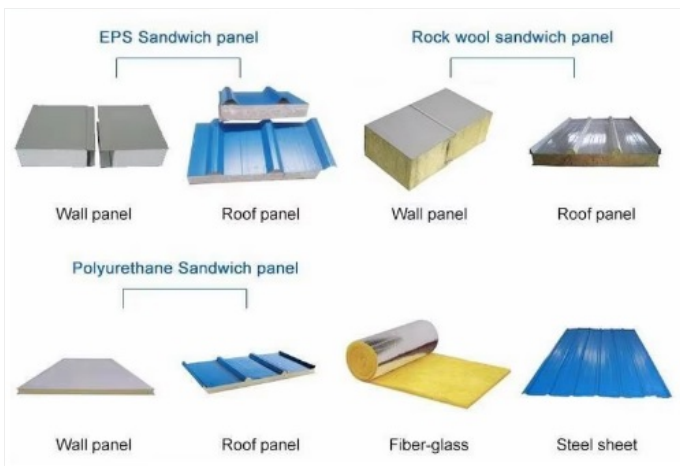

Material Components

Bolt Accessories

Wall and Roof System

Product Packaging

Frequently Asked Questions

1. Who are we?

We are based in Hebei, China, start from 2020, sell to Africa (25.00%), North America (20.00%), Oceania (15.00%), South America (13.00%), Central America (10.00%), Mid East (8.00%), Southeast Asia (5.00%), South Asia (1.00%), Western Europe (1.00%), Southern Europe (1.00%), Eastern Asia (1.00%). There are total about 11-50 people in our office.

2. How can we guarantee quality?

Always a pre-production sample before mass production; Always final Inspection before shipment;

3. What can you buy from us?

Steel Structure, Warehouse, Workshop, Chicken House, Metal Carport & Garage

4. Why should you buy from us not from other suppliers?

We have been dealing in steel structure products for 20 years

5. What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW, FAS, CIP, FCA, CPT, DEQ, DDP, DDU, Express Delivery, DAF, DES;

Accepted Payment Currency: USD, EUR, JPY, CAD, AUD, HKD, GBP, CNY, CHF;

Accepted Payment Type: T/T, L/C, D/P D/A, MoneyGram, Credit Card, PayPal, Western Union, Cash, Escrow;

Language Spoken: English, Chinese, Spanish, Japanese, Portuguese, German, Arabic, French, Russian, Korean, Hindi, Italian
