

## Steel Factory's Metal Building Kit Industrial Warehouse Workshops and Factories Prices on Steel Structure Building

### Our Product Introduction

#### Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: 10 Ton
- Price: \$45-50 square meter
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 45 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

#### Product Specification

- Product Name: Steel Factory's Metal Building Kit Industrial Warehouse Workshops And Factories Prices On Steel Structure Building
- Warranty: 50 -100 Year
- After-sale Service: Online Technical Support
- Design Style: Modern
- Material: Q235 Q345 & Q355B Steel
- Application Fields: Warehouse, Factory, Steel Structure Building
- Secondary Frame: C&Z Purlin, Brace
- Roof & Wall Panel: Single Metal Sheet/Sandwich Panel
- Tolerance:  $\pm 1\%$
- Drawing Design: SAP2000/AutoCAD /PKPM /3D3S/TEKLA
- Highlight: **prefab steel warehouse kit, industrial steel building structure, metal workshop factory kit**

## Product Description

# Steel Factory's Metal Building Kit Industrial Warehouse Workshops and Factories Prices on Steel Structure Building

## Product Specifications

Attribute	Value
Product Name	Steel Factory's Metal Building Kit Industrial Warehouse Workshops and Factories Prices on Steel Structure Building
Warranty	50 -100 Year
After-sale Service	Online technical support
Design Style	Modern
Material	Q235 Q345 & Q355B steel
Application Fields	Warehouse, factory, steel structure building
Secondary frame	C&Z Purlin, Brace
Roof & Wall Panel	Single metal sheet/Sandwich panel
Tolerance	±1%
Drawing Design	SAP2000/AutoCAD /PKPM /3D3S/TEKLA

## Product Features

ITEMS	MATERIAL GRADE	ANTI CORROSION PROCESS
BEAM AND COLUMN	Q355B (equivalent to S355JR, ASTM A572 Gr. 50)	Anti-rust painting/Zinc galvanizing
ROOF TUBE BRACE/ROOF BRACE/COLUMN BRACE	Q235B (equivalent to S355JR, ASTM A572 Gr. 50)	Anti-rust painting/Zinc galvanizing
PURLIN BRACE/TIE ROD/CASING/PURLIN	Q235B (equivalent to S355JR, ASTM A572 Gr. 50)	Zinc galvanizing
ROOF PANEL/WALL PANEL	Single metal sheet/Rock wool sandwich panel/PU sandwich panel/EPS sandwich panel/Skylight panel/Glass curtain wall/Aluminum panel	
WINDOW	PVC frame and tempered glass window/Aluminum alloy window	
DOOR	Electric roller-up door/Industrial sliding door/Industrial lifting door/Industrial fast stacking door/Aluminium alloy door/Wooden door/Steel fireproof and anti-theft security door	
ACCESSORIES	Self-drilling screw/Rivet nut/Anchor bolt/High strength bolt/Ordinary bolt/Gutter/Downpipe/Ventilator/Color steel accessories	

## Technical Parameters

### Main frame(column& beam)

### Auxiliary system (wall& roof material)

Please kindly inform us of the information below if you are interested in our products.

Project Progress: Is Land Purchased? Is it licensed by the government?

Usage: for warehouse, workshop, showroom, etc.

Location: In which country will it be built?

Local Climate: Wind speed, Snow load (max. Wind speed)

Design: Please provide the design drawing. Or do you need us to design for you?

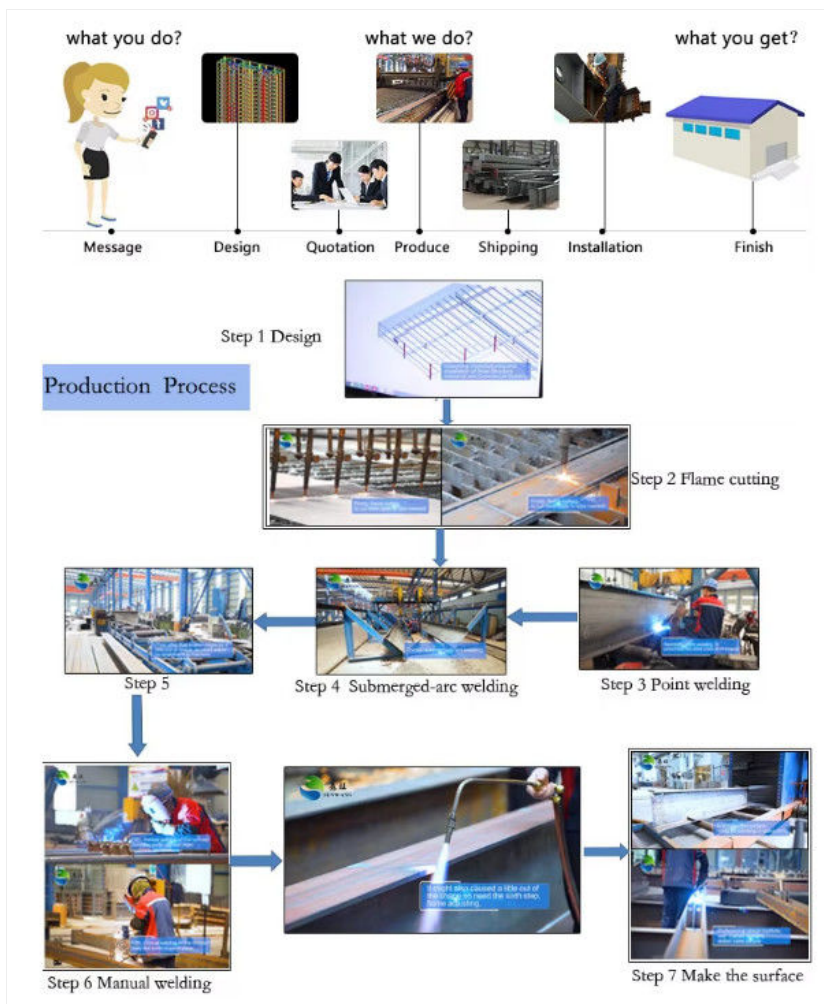

Dimension: Length\*width\*height

Crane Beam: Do you need crane beam inside the steel structure?

Roof and Wall: determine the panel material, such as color steel panel, and metal sandwich panel.

Windows and Doors: what material, quantity, and type?

## Production Process

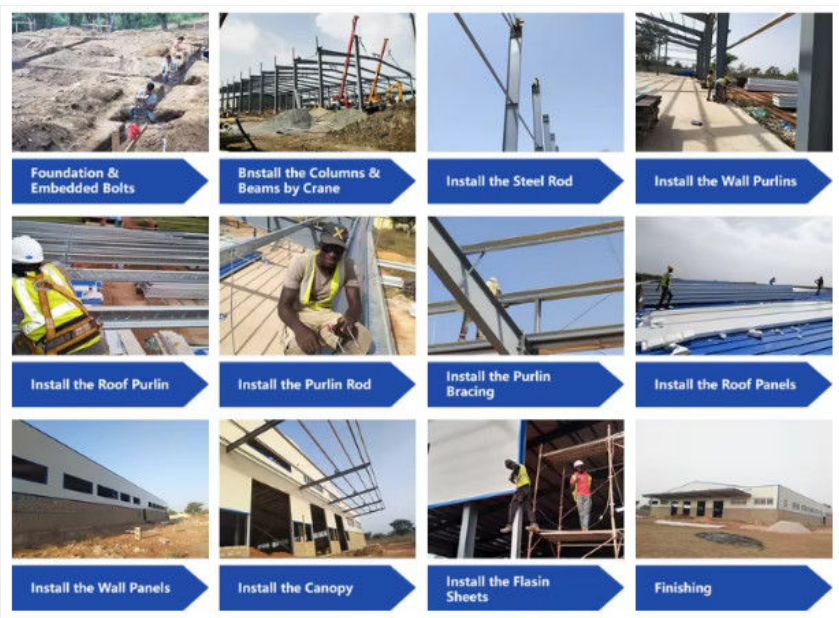

## Quality Control

Excellent product quality is our eternal pursuit, and it is also the fundamental reason for us to base ourselves on the global market. BAODU GROUP implements whole-process quality management and strictly supervises every process such as raw material supply, engineering design, steel component manufacturing, installation and construction. We have established a professional team of quality inspection engineers, introduced internationally leading quality inspection equipment such as German GS1000 vacuum spectrometer and high-frequency infrared carbon sulfur analyzer, established a high-quality product inspection room, and won many awards from China's advanced quality management unit. In addition, we support testing and certification by SGS, TUV, BV.

## Installation Options

**Installation plan A:** We have the detailed installation drawings for you, you can hire a construction team and according to drawings to install.

**Installation plan B:** If you need engineer, We can send one engineer to help and guide your workers how to install the buildings.

**Installation plan C:** If you have needs in construction team, we can send engineer & construction team to help you

## Applications

Steel structure buildings serve a wide range of purposes, including warehouses, workshops, factories, cold storage facilities, high-rise buildings, shopping malls, power plants, distribution centers, pedestrian bridges, steel-structured hotels, prefabricated public schools, sports arenas and halls, car parking centers, airplane hangars and aviation facilities, church buildings and community centers, poultry farms, agricultural buildings and barns, storage sheds, self-storage buildings, greenhouses, garages, commercial buildings, industrial facilities, and much more.

## Our Capacity and Certification

## OUR CERTIFICATE

**CERTIFICATE OF ENVIRONMENT MANAGEMENT SYSTEM CERTIFICATION**

GB/T 24001-2016 / ISO 14001:2015

This is to Certify that the Environment Management System of  
**BAODU INT'L ADV CONSTRUCTION MATERIALS CO., LTD.**

is in conformity with  
GB/T 24001-2016 / ISO 14001:2015 Standard, applies to  
PRODUCTION OF STEEL STRUCTURE INCLUDING PRODUCTION OF COLOR  
PROFIED STEEL PLATE AND CONSTRUCTION METAL SURFACE INSULATION  
SANDWICH PANEL.

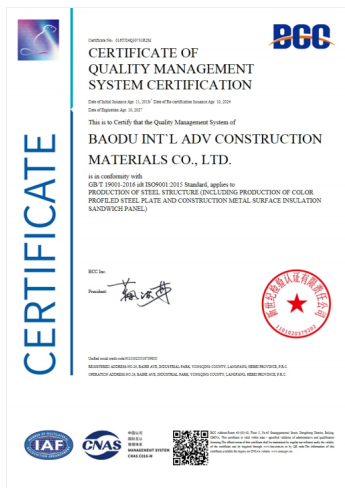

BGC No. 

We have a group of professional engineers, most of whom has more than 20 years experiences in architecture field. our company has got a various of experiences in design, manufacture, installation and so on. The work staff have excellent skills. Some of them had helped customers to install the warehouse around the world.

We will offer one stop service. construction drawing, calculation sheet will be offered to help you get construction permit. Foundation design could be free made if you need. We could make 3D drawings to show the view. What's more, Installation drawings will be offered and Steel structure column, beams will be marked number on it to help you install.

We will send you extra bolts, purlins, panels incase any damage when install.

Efficiency is our pursuit. Every inquiry, emails will be replied immediately. Every questions will be paid high attention.

We also have possessed more than 40 sets of large precise and domestically advanced processing equipments, including large gantry planing machines, automatic submerged arc welding machines, assembling machines, slitters, shot blasting machines and soon.

We will offer details packing list for every container when load so it will be easier to unload.

"Moral personality decides product quality." is our guarantee to the products. "Customers come first." is our everlasting pursuit. Believe your choose, we'll give you a satisfied answer.

## Support and Services

After many years of operation, the BAODU Group has grown from strength to strength and made important contributions to the development of the construction industry and the steel structure industry. It is trusted by builders and customers from all over the world.

Our team of experts is available to provide technical support and services for the Prefab Steel Warehouse product. We offer:

- Consultations to help you determine the best solutions for your needs
- Customized design services to ensure the warehouse meets your specific requirements
- Quality control inspections throughout the production process
- On-site installation and assembly services
- Maintenance and repair services to keep your warehouse in top condition

Our goal is to provide our customers with reliable, durable, and cost-effective solutions for their storage needs. Contact us for more information on our technical support and services.

## Company Profile

Baodu International Advanced Construction Material Co., Ltd was established in January 2010 with the office in Beijing and factory in Hebei, China. Baodu is a designer, manufacturer, supplier and exporter of industrial noise comprehensive treatment, steel structure, sandwich panel and prefab house. Baodu has an annual output of 6 million square meters of acoustic sandwich panels, 100000 tons of steel structures and 1 million square meters of floor decking sheet. The products are sold in more than 30 countries and regions around the world. Baodu has a professional design team with more than 10 years' experience, including 5 senior engineers, 20 engineers, and 35 technicians. Baodu has several energy saving and environment protection intellectual property rights, construction and environment

protection design qualification, CE certification and Russian GOST certification etc. Baodu participated in the military parade village project for the 60th anniversary of China and project of Beijing Daxing International Airport. Under the guidance of China's "one belt, one road" strategy, Baodu has also undertaken overseas projects such as the project of Thar, Pakistan coal fired power plant, Hasyan Dubai power plant and so on. Finally, welcome your coming to Baodu for a visit and cooperation!

## Packing and Shipping

Loading process

Shipping documentation

### Packaging Details:

Steel structure components will be in packaging with proper protection.

Sandwich panels will be covered with plastic film.

Bolts and other accessories will be loaded into wooden Boxes

All the structure components, panels, bolts and sorts of accessories will be well packed with standard package suitable for ocean transport and loaded into 40'HQ. All the products are loaded at the loading site of our factory using crane and forklift by our skilled workers, who will prevent the goods to be damaged. Good relationship with many vessel companies to make sure the transportation smooth

## Frequently Asked Questions

### Q: Are you manufacture or trading company?

A: We are a manufacturer in Langfang, Hebei, we focus on delivering customized steel structure engineering solutions to clients worldwide.

### Q: What is delivery time?

A: Less than 30 workdays in general. It also depends on the order quantity and design.

### Q: What is the term of payment?

A: 50% deposit before production, balance to be paid before shipment.

### Q: How can I get a quick quotation on my racking project?

A: For a quick quotation, please let us know the follow information:

The size of building: length\*width\*height.

Project location in which country.

Usage and amount of building.

Door & window quantity and size.

If the building has mezzanine/crane/multiple floors/irregular-shaped areas.

**Q: Do you offer guiding installation on site overseas for the building?**

A: Yes, we can provide the service of installation, supervision and training by extra.

**Q: How does your factory do regarding quality control?**

A: We provide clients in various markets with the certification documents required for building audits, such as CE certification, ISO9001 certificate, CPR certification, BCI certification, product quality certification, and fire inspection reports certified by CNAS, MA, and ilac-MRA, and more.

**Q: What shipping options are available?**

A: We support three standard ocean shipping trade terms: EXW, FOB and CIF. For certain countries and regions, we also provide DDP (door-to-door delivery with customs clearance for agreed destinations).
