

## Fireproof A Grade Rockwool Composite Board for 100 Laboratory Clean Room Sale

### Our Product Introduction

#### Basic Information

- Brand Name: BAODU
- Certification: CE
- Model Number: Rockwool Sandwich Panel
- Minimum Order Quantity: 200-500 Square Meters
- Price: Reasonable
- Packaging Details: In General, For Steel Structure , We Use The Steel Frame Packing To Keep Goods Not To Be Broken . For Sandwich Panel And Color Steel Sheet, We Use The Plastic Packing . If The Clients Need Special Packing Will According To Their Requirements.
- Delivery Time: 15days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters Per Day

#### Product Specification

- Fireproof: A Grade
- Hvac System: Heat Recovery Air Handling Unit
- Fire Resistance: Class A
- Max Length: 9000mm
- Levels: A
- Type: Sandwich Panel
- Cleanliness: Class 100-100000
- Design Style: Modern
- Highlight: **Fireproof Rockwool composite board,  
A Grade Rockwool sandwich panel,  
Laboratory clean room Rockwool panel**

## Product Description

### Fireproof A Grade Rockwool Composite Board for 100 Laboratory Clean Room

#### Product Description

The Rockwool Sandwich Panel is a high-quality product that offers exceptional performance and versatility. Classified as Level A, it meets stringent industry standards for hygiene and purity with a cleanliness rating of Class 100-100000.

With a panel width range of 950mm-1200mm, it provides flexibility in installation and customization. Also known as Rockwool Composite Board or Rockwool Insulated Board, it offers excellent fire resistance with a Class A rating.

Designed for superior thermal insulation and soundproofing, it's ideal for industrial, commercial, and residential buildings. Its construction combines rockwool's durability with sandwich panel versatility.

The panel reduces energy costs by maintaining consistent indoor temperatures and creates quiet environments by minimizing external noise. Suitable for both interior and exterior applications, it provides protection for walls, ceilings, and roofs.

ROCKWOOL INSULATED BOARD

#### Features

**Product Name:** Rockwool Sandwich Panel

**Applications:** 100 Lab / Laboratory Clean Room

**Type:** Sandwich Panel

**Design Style:** Modern

**Fireproof:** A Grade

**Panel Width:** 950mm-1200mm

#### Technical Parameters

| Parameter        | Value                               |
|------------------|-------------------------------------|
| Surface Material | Galvanized Sheet / SUS304           |
| Type             | Sandwich Panel                      |
| Max Length       | 9000mm                              |
| Levels           | A                                   |
| Cleanliness      | Class 100-100000                    |
| Design Style     | Modern                              |
| Fireproof        | A Grade                             |
| Applications     | 100 Lab / Laboratory Clean Room     |
| Color            | White, Grey, Blue, Red, Green, Etc. |

#### Applications

The BAODU Rockwool Sandwich Panel is ideal for industrial buildings, commercial warehouses, cold storage facilities, and residential construction. Its modern design and color options (white, grey, blue, red, green) complement various architectural aesthetics.

With CE certification and A-grade fireproof rating, it provides reliable insulation solutions while ensuring safety. Suitable for steel structure projects, it's packaged to prevent damage during transportation.

#### Customization

**Brand Name:** BAODU

**Model Number:** Rockwool Sandwich Panel

**Certification:** CE

**Minimum Order Quantity:** 200-500 Square Meters

**Price:** Reasonable

**Packaging:** Steel frame packing for steel structure; plastic packing for sandwich panels

**Delivery Time:** 15 days

**Payment Terms:** L/C, D/A, D/P, T/T, Western Union, MoneyGram

**Supply Ability:** 5000 Square Meters Per Day
