

Customized Prefabricated Pole Barn Kits Barndominium Steel Structure Farm Shed Prefab Warehouse Workshop Metal Building

Our Product Introduction

Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: ISO9001, CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: 300 square meters
- Price: \$30-45 square meter
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 30 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000 Square Meter/Square Meters per Month

Product Specification

- Product Name: Customized Prefabricated Pole Barn Kits Barndominium Steel Structure Farm Shed Prefab Warehouse Workshop Metal Building
- Secondary Structure: Purlin; Brace; Knee Brace Etc
- Environmental Impact: Eco-friendly
- Foundation: Bolt-Connected Precast Concrete Base
- Lifespan: More Than 50 Years
- Surface Treatment: 1. Painting 2. Galvanized
- Port: Tianjin Xingang
- Keyword: Steel Warehouse Building
- Grade: Q235, Q355, Q345
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Color: Customized Color
- Highlight: **customized prefab pole barn kits, steel structure farm shed, metal building workshop warehouse**

Product Description

Customized Prefabricated Pole Barn Kits Barndominium Steel Structure Farm Shed Prefab Warehouse Workshop Metal Building

High-quality prefabricated steel structures designed for agricultural, industrial, and residential applications with complete customization options.

Specifications

Component	Material Specification
Main steel frame	H section steel beam and columns, painted or galvanized, galvanized C section or steel pipe
Secondary frame	Hot dip galvanized C purlin, steel bracing, tie bar, knee brace, edge cover etc.
Roof panel	EPS sandwich panel, glass fiber sandwich panel, rock wool sandwich panel, and PU sandwich panel or steel sheet
Wall panel	Sandwich Panel or Corrugated Steel Sheet
Tie Rod	Circular Steel Tube
Brace	Round Bar
Knee Brace	Angle Steel
Roof Gutter	Color Steel Sheet

Drawings & Quotation:

(1) Customized design is welcomed.

(2) In order to give you an exactly quotation and drawings, please let us know the length, width, eave height and local weather. We will quote for you promptly.

Key Advantages

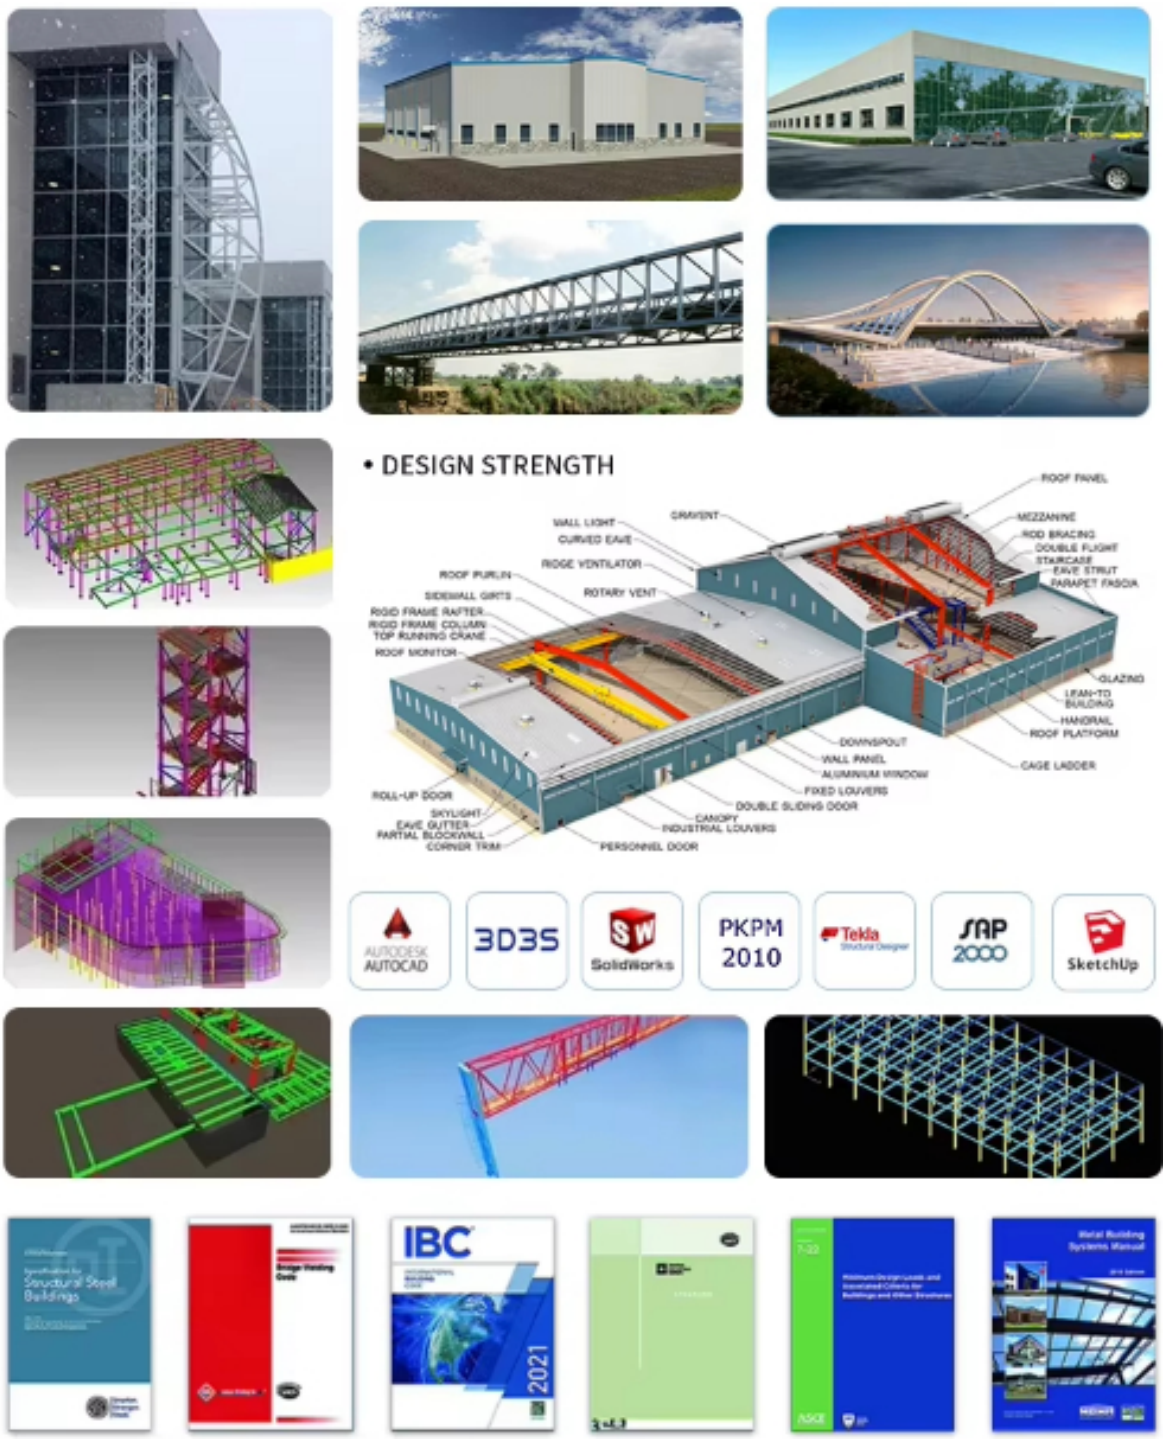

Exceptional Strength & Durability: High-grade steel construction withstands extreme weather including heavy snow, high winds, and seismic activity.

Cost-Effective & Efficient: Pre-engineered components reduce labor costs and construction time for faster ROI.

Design Flexibility: Customizable dimensions, layouts, and aesthetics with clear-span interiors eliminating support columns.

Low Maintenance & Eco-Friendly: Pest-resistant with protective coatings and 100% recyclable materials.

Technical Parameters

Project Cases

Quality Inspection Standards

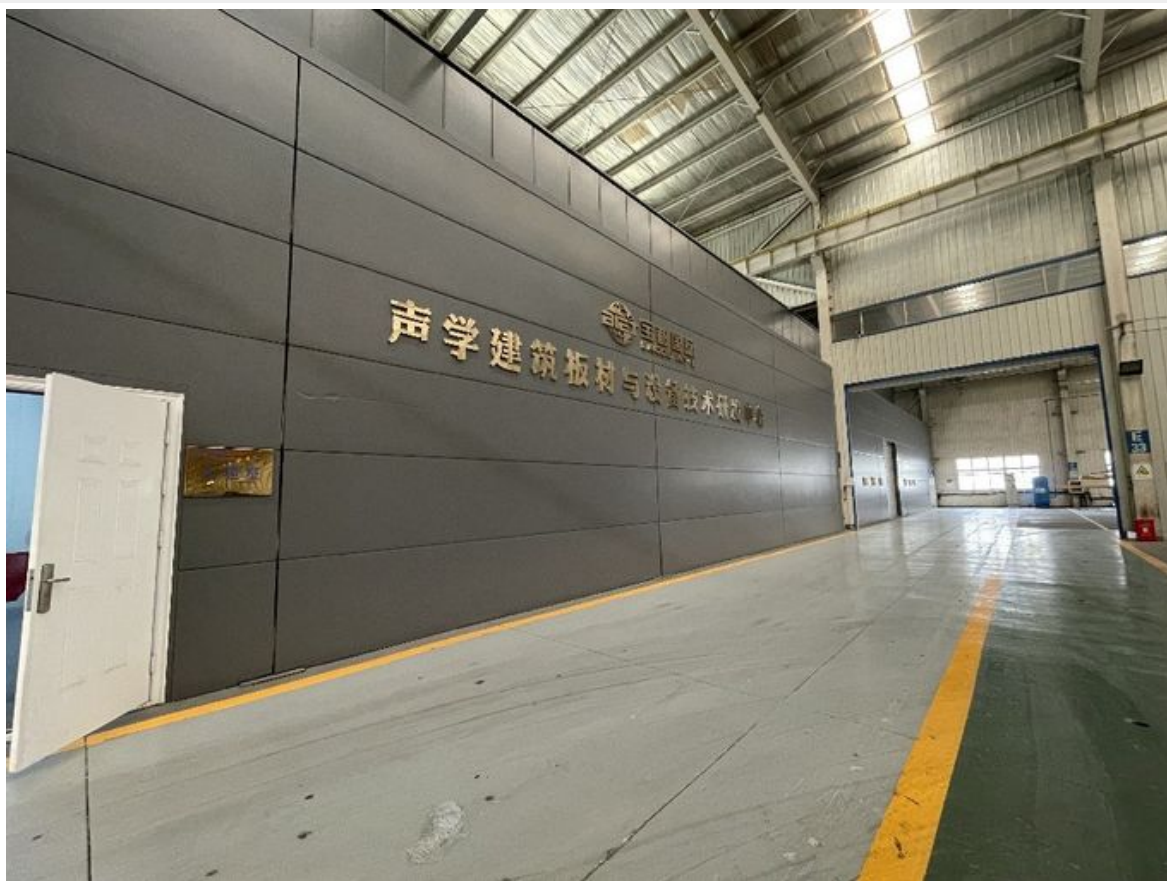

We implement whole-process quality management with professional inspection teams and advanced equipment, supporting SGS, TUV, BV testing and certification.
