- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters per Day

Product Specification

- Product Name: Fast Installation Cost Effective Prefab Steel Structure Building Warehouse Godown
- Main Frame: Welded H Steel Beam, Steel Truss
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Application: Warehouse, Workshop
- Roof Cladding: EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
- Drawing Design: SAP2000/AutoCAD /PKPM /3D3S/TEKLA
- Surface Treatment: Hot Dip Galvanized And Painted
- Performance: Safety, Water-proof, Sound Insulated Hear-preservation Etc.
- Keyword: Steel Structure Building Warehouse Godown
- Warranty: More Than 50 Years
- Highlight: **prefab steel warehouse building, cost-effective steel structure warehouse, fast installation prefab warehouse**

Product Description

Fast Installation Cost Effective Prefab Steel Structure Building Warehouse Godown

Fast Installation Cost Effective Prefab Steel Structure Building Warehouse Godown

Product Overview

Attribute	Value
Product name	Customized Prefabricated Building Steel Structure Warehouse Farm Shed Prefab Workshop Barndominium
Main frame	Welded H Steel Beam, Steel Truss
Wall cladding	EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
Processing Service	Bending, Welding, Decoiling, Cutting, Punching
Application	Warehouse, Workshop, Godown
Roof cladding	EPS/Rockwool/Fiberglass Wool/PU Sandwich Panel Or Steel Sheet
Drawing design	SAP2000/AutoCAD /PKPM /3D3S/TEKLA
Surface treatment	Hot Dip Galvanized and Painted
Performance	Safety, water-proof, sound insulated hear-preservation etc.
Warranty	More than 50 years

Product Specifications

Component	Description
Main steel frame	H section steel beam, C section steel beam, Z section steel beam, Painted or galvanize Steel, customized
Material	Q235B, Q355B
Bolt Accessories	Foundation bolt & High-Strength Bolts & General Bolt
Wall & Roof	EPS /Glass Wool/Rock Wool /PU Sandwich Panel Or Corrugated Steel Sheet
Surface treatment	Painted or galvanized
Window	Plastic window, aluminum window
Application	Steel structure, warehouse, workshop, garage, hangar, storage shed

Product Categories

Baodu Prefabricated Steel Structure Building Products: Lightweight Steel Structures for small to medium-sized buildings; Heavy Steel Structures for large-scale buildings; Multi-story & High-rise Steel Structures for office buildings and residential complexes.

Industrial Steel Structures building: Factories/Warehouses and Storage Warehouses with tailored steel structures.

Special Steel Structures: Prefabricated Steel Modules, Space Frame Structures, and Steel Curtain Walls for modern aesthetics.

Supporting Products & Services: Roof and Wall Systems, Corrosion & Fire Protection Coatings, and comprehensive Design and Installation Services.

Our Services

1. Shortest Delivery Time: 2 modern factories with 3 production lines totaling 150,000 square meters. Delivery within 30 days.
2. Production Visualization: Picture/video information of all production links available.
3. Packing and Delivery: Container and pallet packing with sequential marking.
4. Installation Guide: Installation instruction and video provided, with optional on-site engineer support.

Project Cases

Certificates

Packing and Shipping

- Steel structure components in packaging with proper protection
- Sandwich panels covered with plastic film
- Bolts and accessories loaded into wooden Boxes
- Standard package suitable for ocean transport in 40'HQ containers
- Good relationships with vessel companies for smooth transportation
